Heritage Forum Volunteers at Wicksteed Park Volunteers Week Tea Party 6th June 2019

We were so pleased to be able to host a wonderful afternoon out for our Northamptonshire Heritage Forum volunteers at Wicksteed Park. Twenty different organisations were represented, including Northampton Heritage Transport, who won the prize for the most stylish arrival. Three of them turned up in a 1947 double decker Daimler!

Everyone brought delicious afternoon tea savouries and cakes to share, served with Pimms. Each set of volunteers received a certificate of thanks signed by Jane Baile, our Forum Chair, but the absolute highlight was the special train ride all around the park. The 'Heritage Forum Express!'

Massive thanks to Tracey Clarke and Wicksteed Park, one of our member organisations, for making it possible.
